

ALL-STAR Team

Voting Rules

2026

1. Coaches in every division will truthfully and honestly nominate players from their own team that they believe **will be an asset** to the ALL-STAR team to represent Huffman Sports Association.
2. Coaches will need to let the parents of the kids they are nominating know the tournament dates to make sure their kid can even play in the tournament.
3. After only verifying players can play in tournament, Coach's will give their nominations to the VP of their Division.
4. VP's will put all nominations made by all the coaches on to 1 sheet of paper. Separated by the team names and then the player names from that team.

5. On the day of voting, each coach will go through their list and talk about the players they nominated and why they believe that player will be an asset to the ALL-STAR team.
6. Each coach will then vote on the 9 most talented players from that nomination sheet they believe will be the best players to represent HSA in the ALL-STAR tournaments. They will then turn their paper into the VP so they can tally up all the votes made by all the coaches.
**Do not, not vote on a player assuming they will be saved by the head coach's pick
7. The Top 9 players that have the most votes will make the ALL-STAR team. If there is a tie between players, the coaches will be asked again to vote for the tied players until it is narrowed down to the Top 9.

8. Coach's in their own division will then vote on the ALL-STAR coach they believe will represent HSA and be an asset for the ALL-STAR team. If there is a tie between coach's, then all the coaches will be asked again to vote until it is narrowed down to 1 person. VP and Commissioner will have the final approval for the coach.
9. The ALL-STAR coach will then be able to pick the last 3 players of their team. It can be any 3 players that registered to play in that division.
10. The ALL-STAR can choose any assistant coach(s) they want as long as they were a head coach or an assistant coach of that division.
11. The ALL-STAR coach will have 1 day to let the VP know of the 3 players and the assistant coach(s) they added to the team. **After 1 day, the VP will make the decision for you.**
12. Every Division will have 12 players on their roster. **NO EXCEPTIONS.**
13. ALL-STAR Coach needs to verify again with every player on the roster that they will be able to play in the tournament, along with their Jersey size and notify the VP.
14. If a player decides they are not able to play after the roster has been finalized, **YOU MUST LET THE VP KNOW ASAP**, along with the player you're adding to the roster.
15. YOU AND YOUR PLAYERS REPRESENT HUFFMAN SPORTS ASSOCIATION. If there is any concern by the HSA board that you are not suitable for the task in hand, they will ask you to pass the torch to another coach.
16. There will be only one All Star Team per division. Unless it is brought to the HSA Board and is approved by the Board.
