

HSA Field/Batting Cage Rentals

Huffman Sports Association will resume field and batting cage rentals starting Saturday, August 1, 2026. Field and batting cage rentals will end around January 15, 2027 while the league is in their Spring baseball/softball Season. The Association will be using all fields and batting cages Monday through Saturday starting January 29, 2027 through July 31, 2027. Sundays will be the only open days for any organization wanting to rent a field. Field rental is \$100 for a 2 hour practice. Fees will be due the day you book the scheduled practice. If payment is not received you will be removed from the schedule. If another team books the same spot and pays, its their field. Also, lights will not be turned on for that field. Lights will only be turned on by board members of Huffman Sports Association. Any person, entity, or organization turning lights on will be asked to leave park and any rights or agreements will be revoked. Lights will be shut off no later than 9:30pm Monday through Friday. No lights will be available for Saturday and Sunday unless a notice is given to HSA a week in advance.

Attached is a Field Agreement that must be signed and turned in before the first practice.

Contact for Field/Batting Cage Rental: Krystyl Maulfair @ 281-659-5833.

Thank you for your understanding and support.
